

## BUSHCAT AIRCRAFT BUILD WORK EXPERIENCE PROGRAM NOMINATION FORM

Dear Student,

Thanks for your interest in participating in the AirVenture Australia 'Bushcat' aircraft build! This exciting work experience program is aimed at students in years 10 through 12, with an interest in aviation, engineering, and industrial fabrication. The program involves building an aircraft from a kit, which will then be flown for the first time at the AirVenture Airshow at Parkes Airport on the 22<sup>nd</sup> of September. Due to the limited positions available, we are asking students to complete this nomination form and return it to [david@airventureaustralia.com.au](mailto:david@airventureaustralia.com.au) by the 25<sup>th</sup> of August 2019. Students will be notified of their selection for a placement by the 9<sup>th</sup> of September. Good luck and thanks for your interest!
